

# ISTE NITC STUDENTS' CHAPTER ATREYA '19 17TH ANNUAL STATE CONVENTION

## Techilla – The Treasure Hunt

### Objective:

The objective of the scavenger hunt is to present the participants with a list of clues/ riddles which, on solving sequentially, will lead them to the finish line. The team which is able to accomplish this task in the shortest interval of time shall be declared the winner

### Rules for the event:

1. Any number of teams from a college can participate.
2. Inter-college teams will also be allowed.

### Event flow:

1. The teams will be designated numbers serially.
2. All teams will start from a common location, to which they will eventually have to return. The clues to the first location will be given here.
3. The teams will have to crack the clues to reach the next location, and to receive every new clue, they will have to complete a specific task.
4. The team that returns back to the starting point first, after completing all assigned tasks, will be declared the winner.
5. All teams will have to complete the circuit in a time span of 3 hours at max, beyond which they will be disqualified.
